All events at the 2011 Australian National Championships are subject to the ABF System Regulations as revised to April 2009 which specify that systems must be described on ABF Standard System Cards. Players are responsible for correct classification of their system; players in doubt about the correct classification of their system should consult the Tournament Organiser prior to the closing date. Supplementary system sheets and Defences should be printed, typed or written legibly in black ink on one side of an A4 sheet.

Each player must bring to the table a current ABF Standard system card with a detailed description of the system.

- Each team may register up to four systems
- a pair is restricted to one YELLOW system
- GREEN, BLUE or RED systems and BROWN Sticker conventions are permitted in all events.

Defences: (printed, typed or written legibly in black ink on one side of an A4 sheet) to a YELLOW system or BROWN Sticker convention may be used at the table under the conditions specified in the Supplementary Regulations.

System Disclosure:

Systems must be received earlier than four weeks prior to the commencement of the ANC teams

- ◆ before 4.00pm Friday 24th June 2011.
- ◆ as electronic copy in a maximum of one e-mail per team to webmaster@abf.com.au
