

19th December, 2003

I am pleased to announce the attendance of a team from Indonesia.

Denny Jacob Sacul
Giovani Watulingas
Julius Anthonius George
Jildy Louis Tontey
Madja Bakara
Rivans Polii (alternate)
Jet Rizal Jamaran (official)
Bambang Riyantho (official)

This team won the Djarum – Liga Bridge Indonesia Grand Final and their attendance has been made possible by the sponsors of that event.

I look forward to seeing some first class Australian teams entering the SW Pacific Teams to give this team a run for their money.
