  3. the CTD at the venue.
- c) Each appeal against a Director's ruling must be lodged in person on the approved Appeal Form.
- d) When an Appeal Sub-Committee judges an appeal to be without merit, it awards a procedural penalty, on the scale specified in the Appeals Regulations, against the appellant's score.

## 6 FOULED BOARDS

- a) Hands are generated by computer using the ABF dealing program; the appropriate number of copies is replicated and hand records are provided. A board which does not correspond to the hand record is not necessarily "fouled".
- b) Law 87 determines that a board is fouled when "the Director determines that one or more cards were misplaced in the board, in such a manner that contestants who should have a direct score comparison did not play the board in identical form".
- c) A ruling that a board was fouled must be sought within the Correction Period (#A7; Law 79C).
- d) Fouled boards are scored as described in the sections below for the various types of event.
- e) Unless provided otherwise in the Supplementary Regulations for a specific event, should it be proved, within the correction period, that a hand has been played previously in any tournament in Australia or has been reported in any magazine or newspaper article then the result of that hand is cancelled at all tables at which the hand was played. Such boards are not regarded as fouled and no additional boards are added to the session except in the case where every board in a session is cancelled in which case the session is replayed.

## 7 PROCEDURAL PENALTIES

- a) **Late Arrival:** It is the responsibility of the players to know the starting time of sessions and be seated ready to play five minutes before that time.
- b) **Slow Play:** Unless the CTD announces some other period, the duration of a session is based on 7.5 minutes per board without screens and 8.0 minutes per board with screens.
4. In Swiss stanzas boards not started within 5 minutes of the scheduled finish of the session are removed and not played.
  5. Where a stanza, round, session or match is not completed in the time allotted, both contestants at the offending table(s) are penalised unless the Director rules otherwise. The Director may make such a ruling after being called to the table during the play period or as a result of his own observations or those of any appointed time-monitor.
- c) **Submission of result sheets.** When the CTD so determines, contestants must agree the result and deliver a signed table record sheet/result slip to the Director/Scorer as soon as the result is agreed and no later than 5 minutes after the time scheduled for completion of the stanza.
- d) Procedural penalties for late arrival or slow play are set out below for the various types of event.
- e) Other procedural penalties are determined on a scale considered, in the absolute discretion of the CTD, to be consistent with one of the scales shown below.
- f) Unless provided otherwise in the Supplementary Regulations of a specific event, the calculation of carryover from stage to stage includes disciplinary penalties and procedural penalties. Warnings carryover from stage to stage.

## 8 SUBSTITUTES

- a) A substitute, approved in advance by the CTD or his nominee, may be permitted for cause, not convenience, when a contestant does not have the minimum number of players available.
- b) A substitute should be, as far as possible, of the same MP classification as the player replaced.
- c) A substitute must not be an entrant in the current stage of the event but may be an entrant who was eliminated in a previous stage.
- d) The extent of substitutions is:

Number of stanzas (n)	1	2, 3	4, 5	6	n>6	7-9	10	14
substitutes allowed (number of stanzas)	0	1	2	3	0.5n-1 (rounded down)	3	4	6

- e) Notwithstanding clauses #1-4, ABF Tournament Regulation #4.1.2 authorises emergency substitutions and, in the last resort, the CTD may approve any substitution to continue an event.

## 9 EVENTS SCORED BY IMP/VP

### a) DRAW AND SEATING

Unless provided otherwise in the Supplementary Regulations for a specific event

- I. The fields are seeded.
- II. Teams registering one or more YELLOW systems for that event
- III. lose all seating rights for all stanzas against teams not registering a YELLOW system, even for stanzas in which no Yellow system is played
- IV. must declare their line-up within 5 minutes of the draw being posted for each stanza.
- V. In knockout matches seating rights are determined by toss of a coin. The team winning the toss has the right to sit first or last for the first stanza and thereafter the order of seating reverses each stanza.
- VI. In all other circumstances the AWAY contestant sits first. HOME and AWAY is decided as equitably as possible.
- VII. The HOME contestant, shown first in the draw for each round, sits NS at its HOME table and EW at the opponent's table.
- VIII. When data from the electronic scoring units is used the draw is made at the time specified in the Supplementary Regulations. When data from results slips is used, any score not received by the scorer within 20 minutes of the scheduled time for completion of the particular round is treated as a score of 20 VP/20 VP for the purposes of the draw.
- IX. Until the scheduled commencement of play in the last round a grossly-defective draw (as a result of appeals, correction of scoring errors etc.) is corrected. For other rounds, and at the (sole) discretion of the CTD, a grossly-defective draw may be altered in a manner that causes minimal disruption.
- X. The draw is performed according to the principles below.

### b) Swiss Events

- I. The draw for the first round is of the form  $1 v 1 + 0.5n$ .
- II. The draw for subsequent rounds is according to rank determined by VP excluding all penalties.
- III. The contestant ranked highest plays the contestant ranked next that it has not played previously and so on.

### c) Round Robin

- I. The draw for the first round is random.
- II. The draw for subsequent rounds published in a schedule at the commencement of the event.

#### d) SCORING

---

- I. Each contestant must complete a score card.
- II. Scoring is by VP.
- III. Swiss Teams and Butler Pairs: IMP against a datum, calculated as the arithmetic mean of the scores remaining after eliminating the two highest and the two lowest scores, are converted to VP by the appropriate WBF scale.
- IV. Round Robin and Knockout Teams matches: VP equivalent to IMP.
- V. Final Placing: Except events with a final series, the final placing is the rankings after the last round.

#### e) FOULED BOARDS

---

- I. For head-to-head team matches the result of the fouled board is cancelled. A substitute board is played at both tables unless the result of the match is known or any of the players has left the table at the conclusion of that stanza. In these cases the board is cancelled and a score of 3 IMP assigned unless the match has a subsequent stanzas in which case the substitute board must be played in that next stanza.
- II. For events where contestant's scores are compared against a datum, the Director's aim is to preserve the board if a meaningful result can be obtained. The Director determines that either
  1. fouling was of no consequence and one or more of the results of the board be included in the datum calculation or
  2. results on the board be treated in separate groups and datums be calculated for each group as above except that only the highest and lowest scores are eliminated for 3-6 results or
  3. one or more results be treated individually and the datum for each board be the actual result on that board (i.e. a score of 2 IMP is awarded to contestants who played these boards).

#### f) TIES

---

A tie exists when more than one contestant (pair or team) has the identical number of VP. Unless provided otherwise in the Supplementary Regulations of a specific event, ties are broken by serial application of the measures below. To determine the

- I. Swiss draw for
  - ◆ the first six rounds by
    - net IMP
    - lot
  - ◆ subsequent rounds by
    - the total of the VP scores of all their opponents
    - lot.
- II. rankings after the last round of a Swiss by
  - ◆ the total of the VP scores of all their opponents
  - ◆ the number of wins in VP (15/15=0.5)
  - ◆ net IMP
  - ◆ lot.
- III. rankings in a round robin by
  - ◆ the number of wins in VP (15/15=0.5)
  - ◆ net IMP in the round robin
  - ◆ lot.
- IV. winner of a semi-final or final by playoff
  - ◆ play of four boards
  - ◆ play of one board, repeated
  - ◆ at the expiration of the scheduled time, lot.

### g) PROCEDURAL PENALTIES

- I. Procedural penalties for late arrival in a match scored by IMP or a WBF VP scale, are:-

N minutes late	Procedural penalty	N minutes late	Procedural penalty
First offence < 5 min	warning	10 ≤ N < 15	6 IMP or 2 VP
Subsequent offence < 5 min	3 IMP or 1 VP	15 ≤ N < 20	9 IMP or 3 VP
5 ≤ N < 10	3 IMP or 1 VP	20 ≤ N < 30	15 IMP or 5 VP

For arrival later than 30 minutes the penalty may be more severe (including disqualification).

For every board withdrawn following late arrival an artificial adjusted score is awarded

offenders -3 IMP non-offenders +3 IMP

- II. Procedural penalties for slow play that results in removal of boards, applied to each contestant after one warning, are 1 VP for the first board plus 2 VP for each subsequent board in the same event.
- III. Procedural penalties for slow play in a head-to-head match scored by IMP, for the time that the director assesses as that team's responsibility, are:

First offence (<10 min)	Warning
First offence (≥10 min)	0.5 IMP per minute or part thereof beyond 10 min
Subsequent offences	1 IMP per minute or part thereof

- IV. Procedural penalties for late submission of results are 1 VP per offence, applied after one warning per contestant.

- V. Procedural penalties for late submission of line-ups are

- ◆ loss of seating rights  
AND
- ◆ loss of the right to play a YELLOW system without approval from both the opposing captain and the CTD  
AND
- ◆ a procedural penalty against the team total:

1 <sup>st</sup> offence	3 VP	2 <sup>nd</sup> offence	6 VP	3 <sup>rd</sup> & subsequent offences	9 VP
-------------------------	------	-------------------------	------	---------------------------------------	------

### h) FORFEITS

- I. In the case of a forfeit in a match scored by a WBF VP scale, the score, for purposes of making the draw or calculating current placing, is:

- ◆ Non-offenders 18 VP and the mean IMP of the 18-12 VP range
- ◆ Offenders 0 VP and the IMP score assigned to 0 VP.

- II. After the last round the score of the non-offending contestant is adjusted to the highest of:

- ◆ 18 VP, or
- ◆ its mean VP score for completed rounds, or
- ◆ 30 VP less the mean VP score for completed rounds of the offending team (max. 25 VP).

The non-offender's IMP score is the mean of the range of the VP allocated.

The offender's score is 0 VP and the IMP score assigned to 0 VP.

## 10 EVENTS SCORED BY MATCHPOINTS

### a) SCORING

- I. A score or result recorded that is in conflict with the table record may be altered within the earlier of commencement of the next session or the Correction Period (#A8) for the last round/stanza of that stage.
- II. There is no carryover from stage to stage.

### b) FOULED BOARDS

- I. To score a fouled board the Director divides the scores into groups on the basis of the scores made in each form of the board; each contestant is awarded the match point units calculated by the computer scoring program.

### c) TIES

- I. Ties in any stage are broken by applying ABF Tournament Regulation #15 to that stage.

### **d) PROCEDURAL PENALTIES**

- I. Procedural penalties for late arrival in a match-pointed event, expressed as a percentage of the maximum possible score on one board, are:-

<b>N minutes late</b>	<b>Procedural penalty</b>
$5 \leq N < 10$	10%
$10 \leq N < 15$	20%

Non-offenders are awarded the greater of 60% or their percentage earned on boards played in the stanza for every board withdrawn following late arrival.

When a number of boards are unable to be played due to late arrival, a non-offending unit is awarded the greater of 60% or its session average for every board not played.

- II. Procedural penalties, at the discretion of the Director, for slow play in a match-pointed event, expressed as a percentage of the maximum possible score on one board, are:-

First offence (<5 minutes)	Warning
First offence ( $\geq 5$ minutes)	5%
Subsequent offences	10%.

## **11 SUBSTITUTION**

1. A pair may be permitted a substitute for one session in each stage of the event.
