Teams lining-up pairs playing two or more BS conventions must submit their line-ups 15 minutes before the scheduled starting time for the session or match. When both captains submit the line-ups of their teams without having seating rights, this must be done at least 10 minutes before the scheduled time for the start of the match.

If a partnership that has not registered a specific Convention Card is to play, they must notify the Chief Tournament Director and their opponents at least 10 minutes prior to the start of the match or session.

## 13. Designation of Matches and Seeding

### 13.1 Seeding

The teams competing in the Rebullida Cup, Ckittakachorn Cup, PABF Senior Cup, Raymond Chow Cup and Khunying Esther Cup will not be seeded; draws will be made on a random basis, with the only restriction that minor changes can be made in the designations for the PABF Senior Cup, in order to ensure that teams of the same NBO meet in the early rounds.

### 13.2 Responsibility for the Draw

The draw will be made at the Captains' Meeting on Thursday, 18 June 2009. The team numbers and, by consequence, the sequence of the matches will be published on the championship website at [www.macauabm.com/46th\\_pabf/](http://www.macauabm.com/46th_pabf/). The Organising Committee has the authority to make some changes in the numbers of the teams (and as a consequence in the sequence of play) if required by occurrences after the draw has been announced.

The team numbers in the second round robin will be the finishing position of the first round robin. Same will apply to third round robin of the Khunying Esther Cup.

### 13.3 Seating Rights

The team with the seating rights sits NS in the open room.

## 14. Change of Players

A change of players, pairs or partnerships can be made only at the beginning of a match or a session.

## 15. Disclosure of Systems and Conventions

### 15.1 Systems Policy

The WBF Systems Policy, adopted by the PABF, forms part of these Conditions of Contest. No HUM system is permitted. Brown Sticker conventions are allowed for the Rebullida Cup, Ckittakachorn Cup and PABF Senior Cup, but not permitted for the Raymond Chow Cup, Khunying Esther cup and PABF Open Pairs.

**Note that** psyches protected by system and classified as Brown Sticker Conventions, and psyche of conventional and artificial openings are prohibited.

If a pair is found to have used a convention not listed on its Convention Card, it will be given a disciplinary penalty of up to 2 VPs deducted from the team's score. In addition, the Tournament Director gives an adjusted score if he deems that the opponents are damaged by the use of such an unknown convention. The pair will not play again until it has corrected its card to the satisfaction of the Chief Tournament Director.

If the pair re-offends in this way they will not be allowed to play in partnership for the rest of the event. In addition, such penalties will be

applied should any pair in either of these events be found to have used a HUM system.

### ***15.2 Submission of Systems for the Rebullida Cup, Ckittakachorn Cup, PABF Senior Cup, Raymond Chow Cup and Khunying Esther Cup***

Each team captain is responsible for ensuring that the convention cards for his team are sent, by email to the Organising Committee (See Section 24) as soon as possible, but in any event before 18 May 2009. The Systems for every partnership that will play in these Championships must be described on the official WBF Convention Card, completed in accordance with the Guide to Completion, plus Supplementary Sheets, as necessary to describe conventional sequences in detail. Programs for the preparation of the Cards and Supplementary sheets are listed in Section 15.2.1. Penalties for failure to submit Convention Cards and Supplementary in time are (in addition to Section 15.2.2) specified in Section 19.1.

#### ***15.2.1 Programs for the preparation of Convention Cards***

The Convention Cards may be prepared using any of the following programs:

- the WBF Convention Card Editor (Windows Version), which is available for free download from [www.worldbridge.org](http://www.worldbridge.org) or [www.ecatsbridge.com](http://www.ecatsbridge.com)
- the Convention Card Editor written by Lee Edwards, available for free download from [www.acbl.org](http://www.acbl.org) or [www.ecatsbridge.com](http://www.ecatsbridge.com)
- the DOS Convention Card Editor
- Microsoft Word (a blank template is available from [www.ecatsbridge.com](http://www.ecatsbridge.com))
- Microsoft Excel
- PageMaker or InDesign for the PC

NOTE : Pairs submitting Brown Sticker Systems MUST use the special forms provided which can be obtained from [www.worldbridge.org](http://www.worldbridge.org) or [www.ecatsbridge.com](http://www.ecatsbridge.com).

When sending cards generated by the WBF CCE, pairs should ensure that if they have supplementary notes, the notes file, which is generated separately by the program, is also included.

The Convention Card may also be sent in Acrobat (PDF) Format PROVIDED Acrobat ver 6 is used and the file size is small. Picture formats (.jpg, .bmp etc) will not be accepted.

If programs other than the WBF Convention Card Editor are used, players are responsible for ensuring that the formatting is such that all the information lies within the printable area of the page.

On receipt of the cards, the Organising Committee will convert the format to PDF files which can be read and printed using Acrobat Reader which is available as a free download from [www.adobe.com](http://www.adobe.com). It is advised that the latest version should be obtained.

Following registration of the systems for all pairs in a team, the systems will be displayed on a web site designed for the

purpose, and the URL (Internet address) will be sent by email to the captain of the team making the registration as well as to the individual team members.

Pairs are responsible for checking their own convention cards on line, to ensure that the card displayed is complete, correct and has any supplementary notes that are required.

Following the event, the PABF reserves the right to display the Convention Cards and Supplementary Sheets in a public area for interested parties to see them. If a full system is submitted, this will not be included on such pages of the site.

#### *15.2.2 Convention Cards not received in due time*

Any partnership whose duly completed original Card and Supplementary Sheets have not reached the Organising by 1 June may, in addition to the penalties referred to in Section 19.1, be required by the Tournament Appeals Committee (unless it rules otherwise) to use the system described on the World Standard Card for not less than the first two days of play. Furthermore, no Brown Sticker Conventions will be permitted for the duration of the Championship.

#### *15.2.3 Contact Information*

Should captains have any queries concerning the systems provided by other teams, they should email the Organising Committee who will forward them to the appropriate person for response.

The fact that Cards and Supplementary Sheets are circulated by the PABF (see 15.2.1) does not mean that the PABF has considered such Cards as completely acceptable; systems although accepted as registered, may require amendments after being circulated.

### ***15.3 Supplementary Sheets***

Where a conventional sequence cannot be described adequately in the space provided on the WBF Convention Card, a reference number should be placed at the appropriate place on the Card; a Supplementary Sheet bearing that reference number, and containing the complete explanation must be submitted along with the Card.

### ***15.4 Changes to Cards/Supplementary Sheets***

- b) Any changes to the duly submitted (as per section 15.2) Card and/or Supplementary Sheets must be submitted in official form (see (e) below) as early as possible for everyone's benefit, but in any event no later than 8 June 2009. These changes may only be clarifications, amendments, minor additions, and/or cosmetic revisions in accordance with the WBF Systems Policy. NOTE THAT NO CHANGES may be made to Brown Sticker conventions. If these are not correctly submitted in the first instance, they may not be played.
- c) On site, changes to systems will be approved or required by the Chief Tournament Director.

- d) In order for a change to be implemented, it will be uploaded to the website and an email sent to all captains to inform them that the Convention Card has been altered. Any essential changes (for example caused by the necessary change to a partnership as a result of withdrawal of a player) made to Convention Cards after 1 June 2009 will be relayed to all Captains by email. If such change is made after 17 June, the information will be made available to the Captains at the Captains' Meeting or through Captains' mailboxes on site.
- e) Approval for a change requested once teams have reached the venue may be given or refused in whole or part by the Chief Tournament Director and may be given subject to conditions. One such condition will usually be that any such change cannot be implemented in the course of a particular round robin or in the course of a particular stage of the event, with possible prejudice to unprepared opponents being a particularly important negative factor. Clarifications and improvements to presentation will not be considered as substantives changes.
- f) Official format for changes:
  - i) A new page of the Convention Card/Supplementary Sheet that reflects the proposed change
  - ii) A separate text document describing completely the proposed change and referring to the place(s) on the new pages where they can be found and any cross-references to Supplementary Sheet notes.

### ***15.5 Special Responsibility for BROWN STICKER Conventions***

With regard to BROWN STICKER conventions, there is a special responsibility for users to explain their methods in sufficient detail (as per the Guide to Completion and the CCE), the **first time that Cards are submitted**. Explanations and continuations for Brown Sticker Conventions, together with a viable defence, must be presented using the Brown Sticker Convention Announcement forms, which form part of the WBF Systems Policy, and is available in Word Format for download from [www.ecatsbridge.com](http://www.ecatsbridge.com) or by email from [anna@ecats.co.uk](mailto:anna@ecats.co.uk) . If these submissions are inadequate, or a defence is not proposed, the pair may be barred from using those badly or inadequately described methods for the entire tournament.

They must be accompanied by a viable and thorough suggested defence, including advances over initial actions and thorough development of actions over multi-meaning continuations by the BSC user's side. Failure to comply with the above requirements concerning BS Conventions will result in the pair or pairs not being permitted to play these conventions/systems.

These penalties are quite severe, but with the duly executed distribution of these Conditions and all significant materials by the PABF, no pair will be permitted to claim ignorance of this special responsibility. The NBO, the Captains and the players are jointly responsible for contacting the PABF should there be any problems in obtaining the necessary tournament information in timely fashion. If

these materials are received prejudicially late, it is the responsibility of the jointly responsible parties to so inform the PABF as soon as possible.

### ***15.6 Defences to Brown Sticker Conventions***

A pair may prepare written defences against the Brown Stickers elements of any system. These defences are deemed to be part of the opponents' Systems

### ***15.7 Seating Rights for Pairs using Brown Sticker Conventions***

Teams will be awarded seating rights if they are playing against a pair or pairs using two or more BS Conventions

## **16. Length Of Matches**

Each 16-board match or session of a match is to be completed within 2 hours and 20 minutes; 2 hours 50 minutes for a 20-board match, after that, teams judged guilty of slow play will be subject to penalty (see section 21.4). Additional time will not be allowed for teams playing on Vu-Graph; neither will extra time be granted because of the use of bidding boxes, screens, discussions of systems or for other similar reasons. Vu-Graph presentation for any match or session will not start until the Tournament Director so decides.

## **17. Tie-Breaking Procedures**

### ***17.1 Two Teams***

If two teams are tied with the same number of Victory Points at the end of the round robin, the tie shall be broken as follows (in the sequence shown):

- a) IMP quotient (total IMPs won divided by total IMPs lost) in all matches played by the tied teams in that particular event. If the tie remains, then:
- b) IMPs earned by the tied teams in the match they played against each other. If the tie remains, then:
- c) Total points earned by the tied teams in the match they played against each other. If the tie remains then:
- d) Total point quotient in all matches played by the tied team in that particular event. If the tie remains then:
- e) One board ("sudden death") matches will determine the winner.

### ***17.2 Three Teams***

If three teams are tied with the same number of Victory Points at the end of the round robin, the tie shall be broken according to the following:

- a) IMP quotient in all matches played by the tied teams in that particular event. If one tie still remains it shall be broken in accordance with Sub-section 17.1. If the three teams remain tied, then:
- b) If one of the teams earned more VPs against each of the other two in the matches it played against them in that particular event, it

shall be declared winner and, if necessary, the tie between the remaining two teams shall be broken in accordance with Sub-section 17.1. If the three teams remain tied, then:

- c) If one of the teams earned more VPs against one of the remaining teams and tied with the other in the matches it played between them in that particular event, it shall be declared winner and the tie between the remaining teams shall be broken, if necessary, in accordance with Sub-section 17.1. If the three teams remain tied, then:
- d) If one team has been beaten by the other two teams in matches it played against them in that particular event, it shall be ranked third in the tied positions and the tie between the remaining teams shall be broken in accordance with Sub-section 17.1; In all other cases, ties shall be broken in accordance with the following:
  - i) Highest net total IMPs earned by the tied teams in the matches they played against each other. If one tie still remains it may be broken in accordance with Sub-section 17.1. If the three teams remain tied, then:
  - ii) Highest net total points earned by the tied teams in matches they played against each other. If one tie still remains it may be broken in accordance with Sub-section 17.1. If the three team remain tied, then:
  - iii) Total points quotient earned in all matches played by the tied teams. If one tie still remains it may be broken in accordance with Sub-section 17.1. If the three teams remain tied, then:
  - iv) One-board (“sudden death”) matches will determine the winner.

### **17.3 Four or more Teams**

If four or more teams are tied with the same number of Victory Points at the end of the round robin, the tie shall be broken according to the following:

- a) IMP quotient in all matches played by the tied teams in that particular event, shall govern. Any ties remaining will be broken in accordance with Sub-sections 17.1. and 17.2 if appropriate. If there are more than three teams that remain tied after use of IMP quotients, then:
- b) If one of the teams earned more VPs against each of the remaining tied teams in that particular event or if it has, uniquely, tied one and defeated the other tied teams, it shall be declared winner and the ties for the remaining teams will be broken in accordance with Sub-section 17.2, if appropriate. If there are more than three teams that remain tied, then:
- c) Total points quotient in all matches played by the tied teams in that particular event, shall govern. Any ties remaining will be broken in accordance with Sub-sections 17.1 or 17.2 if appropriate. If there are more than three teams that remain tied after the application of total points quotient, then:
- d) One-board (“sudden death”) matches will determine the winner.

## **18. Disqualification**

In the case of a team being disqualified, all matches it played prior to its disqualification may in the discretion of the Executive Committee be declared void and the scores earned by its opponents in those matches may be cancelled or varied.

## **19. Penalties**

The schedule of penalties, which follows, is supplemental to the Laws of Duplicate Bridge 2007. All infringements of the Laws of Duplicate Bridge 2007 will be dealt with in accordance with the Laws of Duplicate Bridge 2007. Monetary fines shall be paid in US Dollars, or the equivalent in local currency. Monies assessed shall be turned over to the Tournament Director for transmittal to the Chairman of the Tournament Appeals Committee. Upon publication of these Conditions of Contest no further warning is required (whether from the Director or otherwise) prior to the application of any penalty under the provision of the Laws of Duplicate Bridge 2007 or of these Conditions of Contest.

Victory Point penalties, where applicable, shall be deducted from the score of the offending team at the conclusion of the Round Robin. The VP penalties shall not affect individual matches for purposes of tie-breaking procedures in any manner, but may determine a team's ranking.

Penalties assessed in IMPs shall be deducted from the score of the offending team at the conclusion of the match during which the penalty was imposed, before its VP score is calculated. However the score of the non-offending team shall not be affected.

### ***19.1 Failure to File Systems in a Timely Fashion***

Any team containing a partnership that, for any reason, has failed to comply with the time requirements of Section 15.2 shall (in addition to the requirements of Section 15.2.2):

- a) be subject to a decision of the Tournament Appeals Committee who may forbid the team to use specific conventional understandings not submitted in accordance with these Conditions of Contest. If a disallowed convention is used, the Tournament Appeals Committee may impose penalties at its discretion; and
- b) be fined US\$20.00 per pair per week and parts thereof, to be paid prior to the commencement of the Tournament.

### ***19.2 Failure to Submit Line-up on Time***

If a Captain fails to submit line-ups in accordance with Section 12:

- a) for the first such offence a warning shall be issued by the Tournament Director;
- b) for the second offence there shall be a fine of US\$20;
- c) for the third offence there shall be a fine of US\$40 and for each subsequent offence there shall be a fine of US\$100; penalties are cumulative. When failure to provide the line-up in a timely fashion is due to late filing by the captain of the opposing team, penalties under this Section shall be imposed only on the captain of the team

whose duty it was to file line-up first. The captain of the other team shall have 5 minutes after the filing by the offending team's line-up to file his own. If, after filing of the line-up by the offending team, the captain of the non-offending team exceeds the filing deadline, or the extra five minutes allocated in the foregoing, whichever is later, this captain too is deemed guilty of late line-up filing and is subject to penalty under this Section.

### 19.3 Lateness

Any team not seated and ready to play at the announced starting time of a match or a session of a match will be assessed a penalty according to the following scale:

0+ – 5 minutes late	warning to captain(s) (after the second warning the provision for 5+ minutes late shall apply)
5+ – 10 minutes late	1 VP
10+ – 15 minutes late	2 VPs
15+ – 20 minutes late	3 VPs
20+ – 25 minutes late	4 VPs
Over 25 minutes late	at the Discretion of the Tournament Appeals Committee; may include recommendation of forfeit of match or more severe action by the Executive Committee.

For the above purposes, the 1<sup>st</sup> and 2<sup>nd</sup> Round Robin are considered to be separate events. Thus any late arrival warnings issued during the 1<sup>st</sup> Round Robin are not carried over into the 2<sup>nd</sup> Round Robin.

### 19.4 Slow Play

The time allowed for each match or session shall be computed from the time play in such match or session is started by a Tournament Director. If play continues after the time allowed by Section 16 of these Conditions then either or both of the pairs shall be subject to penalty, according to the amount of delay for which such pair was judged responsible, as follows:

#### 19.4.1 Excess time apportioned to a pair

0+ – 5 minutes late	1 VP
5+ – 10 minutes late	1½ VPs
10+ – 15 minutes late	2 VPs
15+ – 20 minutes late	2½ VPs
20+ – 25 minutes late	3 VPs
Over 25 minutes late	at the Discretion of the Tournament Appeals Committee; may include recommendation of forfeit of match or more severe action by the Executive Committee.

#### **Example:**

If a 20-board match or session took 3 hours and 5 minutes (excess of 15 minutes) and pair A is held responsible for 9 extra

minutes and pair B for 6 extra minutes, the total penalty will be 2 VPs; pair A receiving 1.2 VPs penalty and pair B 0.8 VP penalty. In any case if the Tournament Director judges that one match will be so delayed that it would disturb the starting time of the next round, he may truncate it, reducing the number of the boards played: if this happens the match will be scored only with the boards played at both tables, but the same conversion scale will be used as that used for the complete matches.

### ***19.5 Fouled Boards***

See the General Conditions of Contest for explanation. If a board is fouled and it can be determined that one side is clearly at fault that side shall be subject to procedural penalty.

### ***19.6 Frivolous Appeal***

Forfeiture of the deposit if the Tournament Appeals Committee determine the appeal to be without merit (“frivolous”). See Section 32 of the General Conditions of Contest.

## **20. Recording of Matches and Verification of Scores**

### ***20.1 Official Electronic Score Submission***

Each team will collect an electronic score submission device at the line-up table, for the submission of line-up and scores. The North or South player at each table will be responsible for entering the score of each board, for each match and sessions thereof. The East or West player at each table will be responsible for confirming the scores entered, by keying in the password of the team. Team captains will agree upon the scores produced by the championship’s official scorer for each match and segments thereof. Team captains shall sign the official score records at the result desk as instructed at the Captains’ Meeting. At the conclusion of each match, or session of a match the Tournament Director shall post an official result.

**Players and Captains are reminded that they are responsible for the accuracy of their own scores.**

The correction period in Law 79C expires at the time specified in Section 20.2; and thereafter, the results will be final, with the following exceptions:

- a) awaiting decision of the Tournament Appeals Committee on a filed appeal;
- b) completion of play or replay boards where such replay has been directed by the Tournament Appeals Committee.

### ***20.2 Score Corrections***

Score corrections may be made as sanctioned in Law 79 and in Laws 69 and 71. An agreed-upon score that is proven to be erroneous to the complete satisfaction of the Chief Tournament Director and the Appeals Committee, may be corrected up to 30 minutes after the posting of scores at the end of play on each day. Only the results of boards played that day are subject to correction.

## **21. Duplicated Boards**

In all events, in order to qualify for the title of PABF Champion, the same criteria regarding number of boards played shall be applied, save that under special circumstances the Executive Committee may, at its discretion, over-ride such qualification regulations.
