Please describe any other opening OR other bids OR treatments which you consider should be pre-alerted.	
	REO COUNT in following suit, an odd card shows an odd number in that suit and an even card shows an even number in that suit (at the first round of that suit). However, if we have 4 odd (eg 9753) or 3 even (864) we play hi then low. This is strictly count; not suit preference. Our first discard is McKenney, and we play low encourage only on the lead of the Ace.
	TWERB over strong club and 1D response to strong club, and over strong 2C and benjamin 2D openings and their negative step responses; Suit which we bid shows either suit above, or other 2 suits beyond that; NT is is non-touching suits; X= values over strong club and 1D response; X= stolen bid over strong 2C opening and 2D response, and benj. 2D opening and neg response.
